District Of Montana
Missoula

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
MISSOULA DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

vs.

RICHARD THOMAS BISHOP,

Defendant.

CR-14-40-M-DLC

FINDINGS AND
RECOMMENDATION
CONCERNING PLEA

The Defendant, by consent, has appeared before me under Fed. R. Crim. P. 11 and has entered a plea of guilty to one count of possession of child pornography in violation of 18 U.S.C. § 2252A(a)(5)(B) (Count II), as set forth in the Indictment. Defendant further agrees to the forfeiture allegations in the indictment and concedes to the entry of a preliminary order of forfeiture regarding the property subject to the allegations. In exchange for Defendant's plea, the United States agrees to move to dismiss Count I of the Indictment no later than 21

days after the issuance of a written judgment if the Court accepts the Plea Agreement and the Defendant complies with Paragraph 8 of the Plea Agreement.

After examining the Defendant under oath, I have made the following determinations:

1. That the Defendant is fully competent and capable of entering an informed and voluntary plea to the criminal offense charged against him, and an informed and voluntary admission to the allegation of forfeiture;
2. That the Defendant is aware of the nature of the charge against him and the consequences of pleading guilty to the charge;
3. That the Defendant understands the allegation of forfeiture and the consequences of admitting to the allegation;
4. That the Defendant fully understands his constitutional rights, and the extent to which he is waiving those rights by pleading guilty to the criminal offense charged against him, and admitting to the allegation of forfeiture;
5. That both his plea of guilty to the criminal offense charged against him and his admission to the allegation of forfeiture are knowingly and voluntarily entered, and are both supported by independent factual grounds sufficient to prove each of the essential elements of the criminal offense charged and the legal basis for the forfeiture.

The Court further concludes that the Defendant had adequate time to review the Plea Agreement with counsel, that he fully understands each and every provision of the agreement and that all of the statements in the Plea Agreement are true. Therefore, I recommend that the Defendant be adjudged guilty Count II of the Indictment, and that sentence be imposed. I further recommend the agreed forfeiture be imposed against Defendant. I further recommend that when the United States moves to dismiss Count I of the Indictment under the conditions agreed to under Paragraph 2 of the Plea Agreement, then Count I should be dismissed.

This report is forwarded with the recommendation that the Court defer a decision regarding acceptance until the Court has reviewed the Plea Agreement and the presentence report.

DATED this 1st day of December, 2014.

United States Magistrate Judge
